

## Q2 2010 PROMOTION CODE: SUCCESS

---

MyKlpz is designed to help the Independent Professional. To make it more affordable to get started, Contact Science is reducing the fees for set-up and monthly usage.

1. With the Promo Code: **success**, your total cost to sign up for MyKlpz is **\$15**. **This includes the immediate set-up of your account, plus your first month of usage for FREE**. This is a discount from the \$54 retail fee for both of these items.

Registration takes just minutes and you will have instant access to Klpz and to our Learning Center, so **you can begin immediately**. After passing all of the classes you have unlimited access to our Customer Service department.

2. On the first month anniversary of your registration, you will be charged a fee for the next month of **\$34**, a \$5 monthly discount. This discounted \$34 fee will be your fee for as long as you are a MyKlpz user.

This promotion code is good for Q2 of 2010. In the **Promo Code** field in the shopping cart type: **success**.

Click here to go to MyKlpz shopping cart: <https://www.klpzmedia.com/subscription.do>

With this promotion, you can use MyKlpz for **60 days for only \$49 (\$15 set-up + \$34 second month + first month is free.)** A small investment to see how Klpz could improve the way you take the first step in the sales cycle.

Below is a link to a calculator to help you determine the ROI on improving one, or more, of your prospecting metrics. Even if you don't know your current metrics, you can model what a small change in dials per hour or conversation ratio can do to your annual revenue.

ROI Calculator: [www.learnklpz.com/WebROIcalculatorv1.xls](http://www.learnklpz.com/WebROIcalculatorv1.xls)

We invoice in advance for each month. You may cancel at any time, but we do not prorate for unused days of the prepaid month.
